Becomes first Indian body to head the most prestigious Investor Education forum in the Asia Pacific region

The Association of National Exchange Members of India (ANMI) today announced the appointment of Dr. Naresh Maheshwari, President of ANMI as the Chairman of Asia Forum for Investor Education (AFIE) at the AGM held in Seoul, South Korea. He will take over from Mr. Kun Ho Hwang, Present Chairman of AFIE. ANMI would now be represented in Global Sub Committee and Regional Committee of international forum for Investor Education in USA.

The appointment of Dr Maheshwari assumes significance as it is for the first time that an Indian organisation has been entrusted with the responsibility of leading an important International organization working towards investor education and advancement of Capital Markets in the region.

Dr. Naresh Maheshwari, FCA, ACS, FISA is a Doctorate in Derivatives and author of Handbook of "Investor Education & Protection and Risk Management through options in Indian Capital Markets". He is an internationally acclaimed authority in matters relating to Capital Market, Investor Education and Financial Products. He has represented ANMI in various International forums like ICSCA, ICMA, and ASF. Speaking on the occasion, Dr Maheshwari said, "It's a proud moment for all of us at ANMI for having given the opportunity to Chair a prestigious forum like AFIE. A well organised financial education system enables investors to make informed decisions and better manage their financial future. We at AFIE are committed towards furthering investor education, improving investor confidence and overall development of Capital Markets."

About AFIE

Asia Forum for Investor Education (AFIE) is an international alliance that aims to improve investor education, confidence and development of Capital Markets through enhanced international cooperation and information exchange in the Asia Pacific region. It represents 32 organisation from 21 member countries including Korea, Japan, China, Indonesia and Thailand..

The AFIE is committed towards ensuring a sound investment culture and strong investor protection is instilled throughout the region by promoting investor education and the development of the region's capital markets. To this end, the AFIE will serve as a channel for discussion on a wide range of investor education topics and issues facing the region's financial markets

About ANMI

Association of National Exchanges Members of India (ANMI) is an all India body comprising the trading members of all National Stock Exchanges of India. ANMI has a mission of creating most transparent and efficient Capital Market through assistance to Government and Regulator, Education to Investors and Professional Guidance to its members for their development with adherence to ethics and regulations of the market. Efficient Financial Markets are main attraction for Foreign Direct Investment (FDI), Development of Infrastructure and Industry, employment to person and increased revenue to the nation. To further the cause, ANMI regularly and actively participates in all the National and International Conferences / Seminars / Training Programmes. Due to its sincere efforts, ANMI is now consulted by Regulators, Government, International Monetary Fund, World Bank etc. for the reforms and transparency in Finance related matters.
