Sub: Collection and reporting of margins by Trading Member (TM) /Clearing Member (CM) in Cash Segment

This has reference to NCL circular reference NCL/CMPT/45210 dated July 31, 2020. In partial modification of circular NCL/CMPT/43841 dated March 12, 2020 and NCL/CMPT/42900 dated December 12, 2019, the norms and file format of the collection and reporting of margin shall be as follows:

1. Trading Members (TMs) /Clearing Members (CMs) in shall be required to collect minimum 20% upfront margin in lieu of VaR and ELM from the client/TM/CP
2. The TMs/CMs will have time till 'T+2' working days to collect other margins i.e. Additional margin and MTM loss (except minimum Margins) from their clients/TM/CPs. (The clients/TM/CPs must ensure that the minimum margin is paid in advance of trade and other margins are paid as soon as margin calls are made by the TMs/CMs.) The period of T+2 days has been allowed to TMs/CMs to collect margin from clients taking into account the practical difficulties often faced by them only for the purpose of levy of penalty and it should not be construed that clients have been allowed 2 days to pay margin due from them.
3. If the TMs/CMs has collected adequate initial (upfront) margins from the client to cover the potential losses over time till pay-in, TMs/CMs need not collect Mark To Market losses (MTM) from the client/TM/CPs. Otherwise, TMs/CMs shall be required to collect MTM from their clients/TM/CPs by T+2 day.
4. TMs/CMs shall be required to report a single consolidated value comprising of minimum margin, additional margins and MTM collected.
5. All other norms as specified NCL/CMPT/42900 dated December 12, 2019 shall be applicable.
6. Members are requested to refer Annexure I for changes in file format of Detailed Margin reports for Trading Members and Clearing Members.

The aforementioned changes shall be effective from September 01, 2020.
