Annexure 1

Updation of Aadhaar in demat account

1. What you need to keep handy?

    a. Your Aadhaar number

    b. Your PAN number

    c. Your demat account number i.e. DP ID and Client ID.

    d. Access to your mobile or email to receive your OTP

2. Your name as recorded on Aadhaar card should be exactly same as the name as recorded in your demat account. This will enable authentication with UIDAI database.

3. Click on https://aadhaar.nsdl.com/AdhaarSeeding/ and update your Aadhaar in all your demat accounts with NSDL or visit NSDL website https://nsdl.co.in/
