Stock broker is advising to the clients not to deal in penny securities and if client deals with the penny stocks, 100% margin will be taken from the client and these shares will not be taken to as Margin deposit. The stock broker shall have authority from time to time limit (quantity/ value) or refuse orders in one or more securities due to various reasons including market liquidity, value of security(ies) or may require compulsory settlement / advance payment of expected settlement value/ delivery of securities for settlement prior to acceptance / placement of order(s) as well, the order being for securities which are not in the permitted list of the stock broker / exchange(s) / SEBI or does not commensurate with the risk profile of the client as assessed by the broker. 2. Setting Up Client's Exposure Limits:

The client agrees to abide by the exposure limits, if any, set by the stock broker or by the Exchange or Clearing Corporation or SEBI from time to time. It may be noted that in cash segment also upfront margin collection and reporting is compulsory. In absence thereof no sauda can be done. Similarly now margin may have to be reported on intra day position. Therefore exposure will not be allowed beyond one time unless expressly agreed to between the parties subject to regulations of SEBI/ exchanges

In case margin is kept in securities, Broker would value these securities after applying such haircut as it deems appropriate which would not be less than 20% in approved securities. Similarly for providing exposure to client, Broker can pledge such securities in favor of clearing member/ Clearing Corporation or Bank.

The stock broker may be unable to inform the client of such variation, reduction or imposition in advance. The client agrees that the stock broker shall not be responsible

for such variation, reduction or imposition or the client's inability to route any order through the stock broker's trading system on account of any such variation, reduction or imposition of limits. Sometimes client's sauda may go to IOC (Immediate or Cancel) instead of normal bidding if broker terminal is on square off mode.

The Stock Broker at its sole discretion can give extra exposure or intraday limit to the client, such extra exposure will automatically be squared off by trading mechanism without any further reference to the client appx. 15 minutes before the scheduled closing.
